Respected Shri Subhash Chandra Das,

Startup Nation in collaboration with Association of Indian Universities (AIU) and All India Council for Technical Education (AICTE) is organizing the world's largest startup competition for schools, colleges and universities, **Startup Nation Olympiad 2025** (See *Brochure*). Over **70,000+ startups and incubation centers from Asia, Africa, Middle-East, Australia and Europe** will participate.

It is with great humility and deep respect that we extend this invitation to **Assam Skill University** to participate in Startup Nation Olympiad 2025. The competition encompasses four segments and benefits:

- **Student-led Startups:** Grant through Startup Nation: Small Grant Program, Investment up to ₹2 Crore. Assistance with company and IP registration. Network with investors and ecosystem partners.
- **Faculty-led Startups:** Prime Minister's Award for top 10 Faculty Startups, Investment up to ₹1 Crore. Showcase before global leaders, investors and policy makers.
- **Alumni-led Startups:** Facilitation to explore international markets. Investment up to ₹2 Crore. Mentorship from industry and research organizations. Sponsored stalls at the Grand Finale.
- **Incubation Centre (Section 8):** Prizes and grants up to ₹1 Crore. Showcase your Incubation USP. CSR funding access and global networking.

The Grand Finaie will showcase **2,500+ startups** alongside a pitching session to choose the top 250 startups across 10 domains. Prominent Indian and international dignitaries including ambassadors, industrialists, investors, policy makers and other foreign delegations would be present.

As an educationalist at the forefront of transformation, we would also like to invite **Professor Shri Subhash Chandra Das** to accompany the startups and attend the Grand Finale in December 2025. Your presence would enable our Industrial and CSR partners to explore synergistic projects with **Assam Skill University**.
